This event is being held as part of the INSTILS programme - a project part-funded by the European Regional Development Fund.

**3D Printing and Additive Manufacturing in Healthcare Special Interest Group
Thursday 29 June 2017
Delegate List**

Firstname	Surname	Job Title	Company
Peter	Andrew	Professor of Microbial Pathogenesis	University of Leicester
Richard	Arm	Research Fellow	Nottingham Trent University
Edward	Attenborough	CEO	Attenborough Dental Laboratories Ltd
Jensen	Aw	CTO	Attenborough Dental Laboratories Ltd
Stuart	Banyard	Head of Advanced Manufacturing	KW Special Projects Ltd
Alastair	Buchanan	Managing Director	Cadscan Ltd
Hanna	Burton	Postdoctoral	University of Birmingham
Matt	Chapman	Knowledge Transfer Manager	The Knowledge Transfer Network
Richard	Cooper	Knowledge Transfer Manager	The Knowledge Transfer Network
Stephen	Cotton	Managing Director	Brightwake Ltd
Paul	Cresswell	Independent	Paul Cresswell
Sue	Daglish	Administrator	Prevent Infections
Diganta	Das	Senior Lecturer	Loughborough University
David	Edwards	Technical Director	Matsuura Machinery
Adam	Ellis	Project Manager (3D Services)	Xaar
Alba	Gonzalez	Marie Curie Early Stage Researcher	University of Birmingham
Ruth	Goodridge	Associate Professor in Additive Manufacturing & 3D-Printing	The University of Nottingham
Naomi	Green	Research Fellow	University of Birmingham
Yinfeng	He	Post Doctoral	The University of Nottingham
Nick	Holmes	Head of Design and Engineering	TumourTrace
Swati	Jindal	Research Associate	King's College London

Sophie	Jones	General Manager	Added Scientific
Edmund	Keefe	3D Print Manager	Manchester Metropolitan University
Carolina	Lavecchia	Engineer	University of Birmingham
Bernard	Lawless	Marie Curie Early Stage Researcher	University of Birmingham
Anna	Lion	PhD Student	The University of Nottingham
Ted	Morrison	Inventor	Prevent Infections
Jamie	Patient	Research Analyst & Additive Manufacturing Training Lead	Added Scientific
Joey	Powis	Strategy & Business Development Director	KW Special Projects Ltd
Ejaz	Qureshi	Business Development Executive Collaborative R&D	The University of Nottingham - BEIS
Gopal	Rao	Head of Manufacturing	TumourTrace
Laura	Ruiz	Research Associate	The University of Nottingham
James	Sopper	Head of Innovation	Advanced Therapeutic Materials Ltd
Matt	Tasker	Design Engineer	Brightwake Ltd
Jonathan	Taylor	Clinical Scientist	Sheffield Teaching Hospitals NHS Foundation Trust
Ron	Taylor	Technical Director	Unit 33
Jason	Teng	Senior Associate Patent Attorney	Potter Clarkson LLP
Michael	Ward	PhD Researcher	3D LifePrints UK Ltd
Jason	Watson	Consultant Reconstructive Scientist	Nottingham University Hospitals NHS Trust
Robert	Woollin	Strategy Lead- Additive Manufacturing	National Physical Laboratory- Huddersfield
Merle	Harrison	Project Assistant - Marketing and Events	Medilink East Midlands Ltd
Costa	Philippou	Project Manager - Business Development	Medilink East Midlands Ltd
Teresa	Smith	Project Leader - Innovation	Medilink East Midlands Ltd
