

MANAGING AND MITIGATING RISK OF CYBERCRIME AND PROTECTION OF YOUR DATA

Thursday 17 May 2018

Discovery Building, BioCity Nottingham,
Pennyfoot Street, NG1 1GF

RICHARD HEWITT, CLIENT ACCOUNT EXECUTIVE, BHIB INSURANCE BROKERS

Richard has been working in insurance for nearly 20 years and has worked for the biggest brokers around including Aon, Willis, Marsh & Gallagher's.

Richard has previously been involved in providing advice for the life science sector whilst working elsewhere and that is where his interest in the sector began.

Richard is a keen football fan, family man and tries to keep fit (when he has time).

ANDY HALL, CORPORATE ACCOUNT BROKER, BHIB INSURANCE BROKERS

Andy has worked in the insurance industry for 22 years and for the last 3 years has headed up the specialist cyber risks division at BHIB insurance brokers working closely with clients and their IT teams to evaluate cyber security risks and recommending the appropriate risk management and insurance solution to meet their needs.

ED WRIGHT, PARTNER, SHAKESPEARE MARTINEAU

Ed works with clients from all sectors (including life sciences and technology, media and telecoms) on wide-ranging non-contentious commercial, contractual, IP, ICT, e-commerce, data protection, competition and public procurement law issues.

He advises on IP creation, ownership, protection and exploitation, including technology transfers, R&D collaborations and agency, distribution/reselling and franchising arrangements.

Ed has a keen interest in drafting/advising on IP licensing arrangements and, whenever possible, presents and writes on topical commercial and/or IP matters.
